

## AP Boot Camp: Tentative Schedule

AP Boot Camp is designed to run for three weeks. During weeks one and two, the course will run four hours a day. The first three will cover necessary skills and information that students need to have to be successful in AP courses. The last hour of each day will be devoted to the various summer homework assignments given out by Sunnyside's AP faculty. The third week, the course will run for three to six hours, during which the students will work on individual projects and finish their summer homework assignments.
